What other information should we know/be aware of to care for your child as an individual? Events at home often influence your child's behaviour. We at Precious Children Daycare are better able to help your child when you inform us of situations and/or events that might influence his/her overall behaviour such as:

Divorce \_\_\_\_\_

Separation from a relative or friend \_\_\_\_\_

Death of a relative or friend \_\_\_\_\_

Knowing about these transitional times allows childcare professionals to give special attention, understanding and care.

The information you give will remain confidential. Has anything happened recently in your child's life that might have an effect on her/him?
