

We are delighted to announced the full re-opening of Precious Children Daycare on the 29th of March 2021.

Behind the scenes we have worked endlessly to ensure we are up to standard with all the safety regulations and safety measures to provide the children with quality education and care.

We kindly ask all parents to download the return to crèche forms and return them as soon as possible. These can be found under the policies subheading in the parents corner. If you have any problems with accessing the forms please contact us as soon as possible so we can resolve this issue.

Please continue to follow government guidelines to ensure we can stay safe and continue to stay open.
